

Tarot Reading Workshop at Murni's Warung

For many years Novi has been giving tarot readings for guests staying at Murni's Houses & Spa. Now she will reveal the inner secrets and show you how it's done.

You will be surprised by her warmth and accuracy. She is the favourite tarot reader of many government ministers in Jakarta. Her interpretation is spot on.

She has a gift for explaining how it's done very simply.

It's also great fun. Learn the card meanings and skills needed to become a professional tarot reader, even if you're a complete beginner. By the end of the course you will be able to conduct a professional tarot reading for your friends.

It is unusual to find the level of skill and perception that Novi offers anywhere in the world, let alone in Ubud. Novi really cares about people. Beautiful integrity and a huge heart. You will enjoy her reading immensely.

Mia Watson, Craniosacral therapist.

You will receive a free Deck of Tarot Cards and we will email you a Certificate of Attendance.

After the course, you are welcome to stay on and have **lunch with Novi** (each person paying their own). Please let us know if you would like to book a table with Novi.

After lunch Novi will give private tarot readings to anyone. 30 minutes each person. Please let us know if you would like to book a reading.
